ACCRA - GHANA

Dear Dr Monty Jones,

Subject: Request for publication of ToR for the recruitment of Research Consultancy in Taxonomy.

ISAR wishes to recruit one specialist in taxonomy for banana and one for avocado for three months contract in these crops; and also one specialist for macadamia, one for citrus and one for pineapple for one month contract in these crops. To ensure that the Terms of Reference for these positions are widely published, this is to request FARA to assist us by publishing these ToR on its website.

Yours sincerely,

Dr Daphrose GAHAKWA
Director General
